

Zion's Messenger April 2019

Letter from the Pastor:

Dear Zion's members and friends,

On Sunday, March 31, the scripture lesson note will say: "All mistakes, all deliberate sins, all old history is reconciled with Christ's resurrection. This is Paul's strong message to the congregation in the city of Corinth":

"So if anyone is in Christ, **there is a new creation**: everything old has passed away; see, **everything has become new!** All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation; 2 Corinthians 5:17-18

Before we discuss what will be new, let's chat for a minute about everything that seems to be "**cracking up**" at Zion's Lutheran Church. Some things are physically "**cracking up**" like:

1. The tile floors in our 50-year old rest rooms. These are scheduled to be replaced during the week of April 8-12. Yes, we know that our church is busy that week, we will just have to roll with it! Just a head's up (yes, a pun intended!), the Handicapped Rest Room will be our only usable bathroom that week. 2. The parking lot which has deteriorated further this winter.

Several years ago, we sealed **some cracks** ourselves but there are now many more. Water seeps from underneath. The Property Committee and the Congregation Council have determined that it must be fixed. Listen for more details about that "**cracking up**". Yes, things age and need to be replaced. Old knees notwithstanding. 3. More hopefully, our Congregation Council members will continue the tradition of "**cracking eggs**" on Easter Sunday morning (April 21) by again preparing breakfast for the congregation. This will be served from 7:30-8:30 a.m. Please come. Remember that worship is at 6:30 a.m. and 10:30 a.m. that morning. Regular Sunday School meets at 9:15 a.m. that day.

As the frozen soil loosens up as spring begins, we can see **cracks** where tulips are pushing up, perennial plants are rising, and the grass is greening. The coming of springtime is welcomed by all. Appropriately, by Easter Sunday, new life will be in full bloom for all to see.

As faithful people, we remember the profound theological change that comes with the rising of our Lord on that first Easter morning. Jesus accomplishes God's salvation mission by dying on the cross on Good Friday (April 19) (a bad day for Jesus, a good day for us!), defeating darkness, death and the devil, and rising victorious. **When that tomb stone is "cracked open"** by Jesus' followers, their joy cannot be contained. Everything will be made new.

As baptized people, building the new creation here on earth becomes our vocation. We work together to eliminate hunger, war, violence, pollution, suffering, and human need wherever it exists. We are to try and become reconcilers of a new order, using forgiveness and love first, because we know that is the way of our God. **This promise of newness is all that it is "cracked up" to be, and more.** I hope to see you in worship soon. PB

NEIGHBORHOOD MEMORY CAFÉ

Wednesday, April 24th,
at 1 p.m. in the Gold Room

The Hamburg Area Memory Café is looking for individuals interested in becoming café facilitators. The Hamburg Area Memory Café is a judgement free space where those who have memory concerns, and/or their caregivers, come together to share experiences with new and old friends. Memory cafés are driven by the interests of its participants with the assistance of a designated facilitator(s), who provides support and guidance to the group. The primary role of the facilitator is to ensure that all participants are engaged and, when needed, can offer direction to keep the café moving forward. Most facilitators devote approximately 4 – 6 hours per month preparing for and running the café. Training and support will be provided to new facilitators. To learn more, please contact Kim at 484-862-3095 or Kimberly.Infante@lvhn.org.

A Heartfelt Thank you!

Through the generous use of Zion's Endowment Funds, we recently purchased a new AED through the Friends of Reading Hospital HeartSAFE program. Through this program, we were able to split the discounted cost of the AED with the Friends of Reading Hospital, greatly reducing the cost of the unit.

Our Endowment Funds request will also cover CPR/AED training for Zion's staff and members. We will be offering two American Heart Association Adult/Pediatric/Infant CPR & AED training classes – one for new certifications and one for recertifications. To take the recertification class, you must hold a current (not expired) American Heart CPR certification. There is a maximum of 8 students per class. A signup sheet will be posted on the narthex bulletin board, or you can call the church office.

Also, thanks to the family of Marguerite Hepner, who have designated her remaining Memorial Funds for AED maintenance.

I am proud to have our Zion's Endowment Funds provide such a worthwhile social ministry outreach for members of Zion's. The AED unit and training can have far ranging impact on our church and our greater community. Please see me with any questions.

Thank you. Eileen Puglia

COUNCIL CORNER

Zion's Church Council Meeting, held on March 12, 2019, was led by our new President, Wanda Hoherchak. It was reported that Russ Olszewski finished the thermostat upgrade to the heating unit at the end of the Sunday School wing, so that it will not have to be manually turned on and off anymore.

SOS, our copier supplier, has contacted us recommending we update our copier, which will actually result in a savings of \$15.00 a month. Council voted to replace our current copier with an upgraded refurbished Canon copier which will be faster and less expensive.

The price of our Fire Monitoring contract has been questioned, as it seems to have doubled in price because two additional monitors had to be added to our system. The property committee was under the impression that the additional monitors were a onetime expense, and should not have increased the monitoring contract. The contract will be located and reviewed.

The Treasurer's report showed that we finished February 2019 in the RED \$6,630.11, making our total deficit \$24, 157.26. Because some expenses for the entire year are paid upfront, and we had additional expenses for snow removal, council will reassess our financial situation at the next council meeting.

Pastor Bruce will be on vacation the week after Easter. Keith Rohrbach will be our supply pastor on Sunday, April 28, but as of our meeting, Pastor Bruce is having trouble finding a supply pastor for Sunday, April 7.

Zion's received a thank you from Opportunity House for the \$180.00 we sent them from our Souper Bowl collection.

Altar Guild announced that lilies, tulips, daffodils, from Penny Hill will again be sold for decorating our altar on Easter.

Threefold Blessing will share their worship experience with us on Saturday, 3/30/19 and Sunday, 3/31/19, thanks to the Worship and Music Committee.

Christian Ed Committee announced that there will be a shoe collection through Common Recycling Biz, starting after Easter until 6/2/19. A pool party will be held at Shoemakersville Pool on 8/10/19 from 6-9 PM. Rally Day will be 9/15/19 with a program by Debbie Irene Wahl. And Harley will be doing a puppet show on 3/31/19 at 9:45 AM in the Gold Room.

Welcome and Outreach is looking at ways to make our church a more welcoming church. Watch for future newsletter articles or displays highlighting new and current members.

The Fellowship committee reported the concern about the wastefulness of the hard-boiled eggs gathered at the Easter Egg Hunt, so they will be educating Easter Egg Hunt participants on the safety of our hard-boiled eggs and also taking a poll at the hunt to see if participants would rather have plastic eggs. Harley is being asked to do a puppet skit at the Easter Egg Hunt.

The Property Committee has received four quotes for repaving our deteriorating parking lot. Ronnie Folk, who has a milling machine, had the best quote at \$58,900 for the entire lot. Council voted to give approval to accept the bid from Ronnie Folk and will initiate a campaign to raise money for this project. Special envelopes will be printed and placed in the pews.

Council also approved the purchase of a new UV water treatment system at roughly \$2,500 to replace our current costly system after another water test failure and inspections by DEP.

The new AED has arrived and training sessions will be set up shortly. *(see elsewhere in newsletter)*

Registration for the Sight and Sound "Jesus" trip on Wednesday, 8/14/19, will be extended another month. *(Please reserve your tickets now)*
